Cargo trolleys with rubber surface

Product information

For moving machines and equipment. Rubber surface on the trolley ensures good friction between the item and the skate. Note only for indoor use on flat and clean surface.

Highly maneuverable cargo trolleys for moving machines and equipment, with permanently lubricated nylon wheels. The rubber surface on the platform ensures good friction between the object and the trolley's platform.

For indoor use only on flat, clean surfaces.

SIALU2.5 cargo trolleys can be attached side by side or in series using the integrated attachment points.
