Lashing Chain Green Pin Tycan®

Product information

NO PICTURE

Green Pin Tycan® Lashing Chain has been created from the world's strongest man-made fibre, Dyneema®, and is a link chain that has all the performance and flexibility of steel chain but is a fraction of the weight. It is extremely safe to use, non-corrosive, non-conductive and completely waterproof. In fact, it even floats! The soft touch and light weight makes Green Pin Tycan® easy to use, allows quicker application and greatly reduces the potential of damage to cargo, a critical factor when handling objects with sensitive surfaces. By using Green Pin Tycan® companies achieve greater efficiency and a safer working environment for their staff. Green Pin Tycan® Lashing Chain is available with a lashing capacity of 10 tons and 13.6 tons.

Features:

- Soft and eight times lighter than steel
- Extremely strong, made from Dyneema®
- Safer for staff
- Minimizes damage to vulnerable cargo
- Next generation lashing equipment
- Floats on water

Certification on request: 2.1, 2.2, MTCb, DNV TQ
