

Lashing Chain Green Pin Tycan®

Product information

NO PICTURE

Green Pin Tycan® Lashing Chain has been created from the world's strongest man-made fibre, and is a link chain that has all the performance and flexibility of steel chain but is a fraction of the weight. It is extremely safe to use, non-corrosive, non-conductive and completely waterproof.

- Soft and eight times lighter than steel
- Extremely strong, made from Dyneema®
- Safer for staff
- Minimizes damage to vulnerable cargo
- Next generation lashing equipment
- Floats on water

Material: 100% Dyneema®; layers of webbing in a Mobius twist with stitching on each side.

Marking: Manufacturer ID, chain diameter, traceability code, steel grade, item code and origin

Temperature range: -60°C up to 70°C.
