

Swivel Davit Crane SD750 SST316

Product information

With three adjustable positions, this crane effortlessly adapts to your lifting needs. Depending on the position, the lifting capacity varies; up to 750 kg at 1 meter, 600 kg at 1,5 meters and 500 kg at 2 meters.

Thanks to the 360 degree rotation function, you can easily reach the desired position. When in position you can lock the swivel motion for controlled lifting and lowering. The stainless steel 316 finish ensures durability, while you can attach various winches or even a chain hoist to the davit. Ideal for any project where strength and flexibility come together!

- adjustable reach: 1 meter, 1,5 meters and 2 meters
- robust and safe lifting davit crane in compliance with EN13157
- possible to lock swivel motion
- davit crane consists of 4 parts - fast installation
