

Lashing system camouflage 25 mm / LC 500 daN / 5 m

Product information

Haklift's camouflage lashing strap combines reliable load securing with an appearance inspired by Finnish camouflage patterns. The 25 mm wide and 5 metre long lashing strap is suitable for a wide range of light-duty load securing applications, including trailers, roof racks and boat trailers, as well as transportation related to recreational and hobby use.

The polyester webbing in camouflage colours complements hunting and outdoor equipment as well as off-road vehicles.

The webbing is manufactured from 100% polyester, a material well suited to load securing applications. With a webbing width of 25 mm, the lashing strap is compact and easy to handle, including in applications where space is limited.

The metal components are free from Cr6+. The product is manufactured in accordance with EN 12195-2, the standard.
