

Lashing system camouflage 50 mm / LC 1700 daN / 10 m

Product information

Haklift's camouflage lashing strap combines reliable load securing with a distinctive appearance inspired by Finnish camouflage patterns. The 50 mm wide and 10 m long lashing strap, with a lashing capacity of LC 1700 daN, is designed for standard load securing applications on trucks, vehicle combinations, machinery transport trailers and other similar types of transport.

The camouflage-patterned polyester webbing complements hunting and outdoor equipment as well as off-road vehicles.

The webbing is manufactured from 100% polyester, providing a durable solution for load securing applications.

The metal components are free from Cr6+. The product is manufactured in accordance with EN 12195-2, the standard.
