

## Lifting Chain Tycan®

### Product information

Green Pin Tycan® Lifting Chain has been created from the world's strongest man-made fibre, and is a link chain that has all the performance and flexibility of steel chain but is a fraction of the weight. It is extremely safe to use, non-corrosive, non-conductive and completely waterproof. In fact, it even floats!

- Soft and eight times lighter than steel
- Extremely strong, made from Dyneema®
- Safer for staff
- Minimizes damage to vulnerable cargo
- Next generation lifting equipment
- Floats on water

**Marking:** CE-marked

**Safety factor:** 4:1
