

Ecolash one way lashing webbing

Product information

Ecolash one way lashing and strapping systems are easy to use in demanding cargo securing operations.

- one way lashing systems are suitable for cargo securing, bundling or coupling
- systems are used in different industrial fields and in ports for tying down goods inside containers
- systems are safe as well as easy to use
- woven structure of the Ecostrap and Ecolash webbings guarantees durability and a tight load
- one way straps are easy to dispose after use
- tested metal buckles maximise the system strength
