

## Magnetic lifting clamps

### Produktinformation

Durable magnet clamps for lifting plates, pipes and round steel bars. Small and easy to use. Due to the joint lifting eye, improved durability and stability of the item to be lifted. Rubber coated handle is comfortable to use.

#### Safety factors

- 100 - 300 kg clamps: 3.5:1
- 600 - 2,000 kg clamps: 3:1
