

Stainless steel chain sling 2-legs with latch hooks

Produktinformation

2-legs Stainless steel chain sling assembly equipped with safety hooks. Alternative ends are also available, e.g. foundry hooks, shackles etc. Slings are equipped with a load plate.

Note! The last two numbers of the product code refer to the length (L-length): 01 = 1,0 m.

The L-dimension is measured from the inside of the top of the master ring to the inside of the bottom of the hooks.
